MEMORANDUM FOR: Assistant to the Vice President
for National Security Affairs

Don -

Attached is the Vice President's copy of the DCI's response to Senator Helms' letters to the President.

I am delivering it to you because, as you will note from the DCI's letter, we do hope to maintain some control over who has access to it. Copies were also sent to Bud as well as Senator Durenberger and Congressman Hamilton. They are also being provided to Secretaries Shultz and Weinberger.
